## THINK BIG ABOUT THE FUTURE OF YOUR CATHOLIC SCHOOL.

What do you aspire to be? What's your "due north" vision for greatness? What are your hopes and dreams for your school in 5 or 10 years? **Envision this school, and you will create it.**

Combining power talks and Q&A, this 1½-hour symposium – held prior to the awards celebration for the Foundation's partner schools – will inspire you to own your school's future. You'll also receive a practical takeaway tool. The symposium is especially for Catholic school leaders, board chairs and advancement/enrollment staff who hope to:

- Join the national movement to revitalize PK-12 Catholic education by defining and pursuing *your* school's future.
- Hear from board leaders who have championed and reaped the benefits of connecting mission and vision for their schools. Also learn from other practitioners who will encourage you to lead as they share approaches and tools to aid in this vital work.
- Define what your school will become, and pursue it with passion.
